GOVERNMENT & TRADE BODIES

Orcapod recognizes the unique Vision, Mission, and Business needs of Government Institutions and Trade bodies. Hence we have focused and specialized services for this segment of the IT Services Consumers market space. Our Smart Governance Services provide process improvement, program management and IT consulting services to a wide array of Government agencies. Focused on driving long-term change and transforming the citizen experience, we help government agencies to become more accessible, efficient and transparent.

We provide the following services under the Smart Governance practice:

eGovernance Consulting: This covers areas like building eGovernance Strategy, IT roadmap & blueprints, developing enterprise architecture, IT governance & strategic planning.

Process Engineering & Citizen Outreach: This covers areas like process improvement, automation, self service migration, e-Payments, e-Procurement, e-Tendering etc.

Vendor Selection & Program Management: Helping government agencies to manage large and complex IT & process improvement programs, selection of IT vendors for new applications development & maintenance.

What distinguishes us from the Consulting divisions of IT Services Organizations is our experienced workforce, agility and company construct. Consulting is our business and we are a genuine and neutral enabler in our advise. We do not carry the risks or benefits of pull through subsequent revenues. We are open to delivering assignments in different commercial constructs ranging from the normal models to aligning Orcapod business benefits to the benefits and savings of our Clients.

In addition to the above, we provide the following services as a part of our consulting practice:

- IT Strategy Blueprinting
- IT Transformation
- Cloud Computing
- Transition Management
- Requirement Development
- Program & Project Management
- Project Management Office (PMO)
- Business Case Development
- Risk Management
- Supplier Research
- RFI and RFP Preparation
- Post Contract Governance Support

About Orcapod

Orcapod is a Consulting & Technology Services firm founded by senior industry professionals coming from reputed international organizations. Like the Orcas which roam the great oceans around the globe, we work with Global and Indian Clients providing assistance in their critical IT & business improvement initiatives.

Orcapod Consulting helps its clients to improve business operations by combining its expertise in the areas of Business & IT Consulting, Outsourcing, Operations Transformation and Services Optimization. Our experienced consulting workforce complements the CIO organization and helps it deliver more within its budgets & demanding schedules. Explicit Business Outcome, our proprietary methodology gives high priority to employing existing client assets for delivering the range of results that will make substantial and sustained difference to our client's business.

Orcapod Technology Services offers conventional and customized solutions to meet the resourcing needs of our clients in the IT space. Our ability to attract and retain high performing workforce ensures on demand access of talent capacity to our clients for meeting business commitments.

Fuelled by our shared vision, we help to make our client's businesses more efficient, more profitable, and prepared to succeed. We help to make them Future Ready.
